

**WATER –TIGHT WARRANTY
SOLARIUM SOLAR HEAT PUMP SERIES
HEAT PUMP POOL HEATERS**

This Rome Industries heat pump warranty is valid for Solarium Solar Series heat pumps manufactured after January 1st, 2008. ROME INDUSTRIES INC. Warrants to the original owner and installation site, the SOLARIUM SOLAR SERIES HEAT PUMP POOL HEATER to be free of defects in materials and workmanship for a limited term as follows:

Florida Only, Lifetime Warranty (5 /5/10)

The titanium heat exchanger has a lifetime warranty (tube only), with replacement guarantee. Five (5) years full parts and labor for a period of five (5) years. The compressor has a limited ten (10) year warranty, years six (6) through ten (10) on a pro-rated basis.

Outside the state of Florida, within the continental United States (2/1/10)

The titanium heat exchanger has a lifetime warranty (tube only), with replacement guarantee. Two (2) years full parts and labor for a period of one (1) year. The compressor has a limited ten (10) year warranty, years three (3) through ten (10) on a pro-rated basis. This Limited Warranty does not cover shipping cost to or from Rome Industries Inc. Parts must be shipped back to Rome Industries Inc within the warranty period for validation.

The effective date of Warranty is the date of installation, if properly documented: otherwise the date of manufacture plus three (3) months.

This warranty will NOT apply to: A) Malfunction or damage resulting from installation, operation, maintenance, or service not in accordance to ROME INDUSTRIES INC. specifications. B) Malfunction or damage due to conditions not intended for the original use of the unit. C) Damage due to negligence, accident, or acts of God. D) Malfunction or damage from the attachment of accessories not authorized by ROME INDUSTRIES INC. E) Unnecessary service calls due to erroneous operational reports, maintenance, and electrical service. F) Units sold outside the continental United States.

Service performed within the warranty period must be approved by ROME INDUSTRIES INC.

PRIOR to service being performed and performed by a ROME INDUSTRIES INC. authorized technician. The warranty is void if unit repaired by anyone unauthorized by ROME INDUSTRIES INC.

WARRANTY PARTS will be replaced or repaired at the discretion of ROME INDUSTRIES INC. Defective parts must be returned to ROME INDUSTRIES INC. within the warranty period for validation. ROME INDUSTRIES INC. is not liable for the labor involved with unauthorized repair or replacement costs, including parts and labor, in accordance with ROME INDUSTRIES INC.s flat hourly rate schedule. The direct replacement cost does not include shipping of warranty parts.
